

Palmer Mutual Telephone Company is proud to offer Palmer DSL to our customers

What is DSL?

Digital Subscriber Line (DSL) is a high speed Internet service over your existing telephone line or our Fiber optic lines, where available.

Do I dial-up for service?

No, connection is constant, you never dial-up or log-in.

Can I get DSL in the country?

Yes, we can reach all of our customers in our service area. Of course, you must become a current telephone customer of Palmer Mutual Telephone Company.

What about my second line?

If you currently have a second line, DSL will free it up for fax machine use or voice traffic.

How do I get it?

Simply call us at 712-359-2411, mail, or fax this application to our office.
